We can hang for a while they'll see one group then we all fall to back of the pack and peel off. We catch them in the middle...game over.

Florida is taking Roger Stone for 2 Days when he moves full kits . Insurrection act should be why he is presenting to America , now pence announced he is going to allow the evidence to be presented to Congress . That checks all the boxes . I think this is why we were called there . Anything less would be a terrible mistake .
